## Dear Friends,

This year, Scripture Union want to serve you again. In the summer of 2010 we have provided many unforgettable moments of our camps for children, teenagers and families.

It is a great privilege and a true blessing for us to see children grow up and accept Jesus Christ as their Lord and Saviour, young people make decisions determining their future and entire families take on new paths in their lives. Despite all the difficulties and financial problems we face, we are constantly encouraged by the numerous testimonies of the fruits of our labour.

One of the main priorities of the mission of Scripture Union is the work with disadvantaged children. We regularly visit the children at the orphanage in Dolna Banya and this summer we want to include again these children in our events. This is of course associated with certain costs, to allow a child to attend one camp, we need about 200 lv.

For the youngest we have planned two camps divided by age groups in which children will spend an unforgettable time on the beach, studying the Bible and principles of life.

Teenagers can participate in the international Teen Games, conducted for the first time in Bulgaria, or show their gifts and talents of the camp MusicArt Drama (MAD).

The families will have their rest in Dolna Banya, in the midst of beautiful scenery and wonderful company.

## Teen Games

is a global project for teens that connects sport with Bible study. This year Bulgaria will host the international games and teenagers from Poland, Slovakia and Serbia will also participate. Sport is a universal means of communication and the children can use it to learn important life lessons.

## Ongoing Activities:

- \* **Youth meetings / each Wednesday in the SU office** – Time to study Bible, discussions, making fun together and build a friendships.
- \* **To visit children deprived of parental care from the orphanage in the town of Dolna Banya / once a month.** Since 2002, we are committed to ministering to work with children at risk.
- \* **Entrance readiness of children from the orphanage in Dolna Banya.** We know that education can provide every opportunity for a better future, so look for ways to give them that chance.

## Outstretched hand

Children are our future. We have a vocation to care for them, guide them, lead them in their path and to bring salvation through faith in Jesus Christ. In our camps we've seen many children change their lives forever. Some of them are now part of our leadership team. Many families though can not afford to send their children to a camp. To give this chance for young people, especially orphans, we urge you, as our prayer partners and friends to participate in the blessing. Thank you and let us go together in this case.
