From the SU International Director

Dear Friends and Co-Workers

Welcome to the 2012 special Living Hope edition of the International Prayer Directory.

This year we will be undertaking one of the greatest global initiatives in the history of Scripture Union. Across the world, we will intentionally spend time listening to our communities, to each other and to key people around us. We expect that, through this process and as we share together in prayer and around God's Word, He will speak to us about His call and the shape and direction of our future leading up to our 150th birthday in 2017. Most of you will be aware that there are three phases in the Living Hope initiative:

1 Listening

The Community Listening Initiative will enable us to listen to children, youth and adults in our communities around the world, to each other in the SU family and, most importantly, to God as we pray together and read His Word.

2 Discernment

In November 2012 leaders from every SU movement will meet in Malaysia, joined by others via the Living Hope website, seeking to discern what God is saying to us about directions for the future, locally, nationally and globally.

3 Action

This is the most important part of Living Hope! Around the world we will seek to respond in obedience to what God has been saying to us.

We believe and pray that through the Living Hope process, God will shape SU's ministry for many years to come. Together, we will seek to live and serve as people of hope, in a world that longs for hope.

Wherever you are and whatever your connection with Scripture Union, you can be a part of this process of listening to God and building the future together, as we trust in Him.

Janet Morgan
International Director

De la part de la Directrice de la Ligue pour la Lecture de la Bible International (SUI)

Chers amis et collègues,

Voici l'édition 2012 de l'Annuaire International de Prière, spécial Espérance vivante.

Cette année, nous allons entreprendre une des plus grandes initiatives internationales de l'histoire de la Ligue pour la Lecture de la Bible. Dans le monde entier, nous allons délibérément prendre le temps d'écouter nos communautés, de nous écouter mutuellement et d'écouter certaines personnes clés de notre entourage. À travers ce processus et en nous réunissant dans la prière et autour de la Parole de Dieu, nous nous attendons à ce qu'il nous parle de son appel, de la forme et de l'orientation de notre avenir, car nous fêterons notre 150e anniversaire en 2017. La plupart d'entre vous savent déjà que l'initiative Espérance vivante se fera en trois phases :

1 Écoute

L'Initiative d'écoute de la communauté nous permettra d'écouter les enfants, les jeunes et les adultes de nos communautés dans le monde entier, de nous écouter mutuellement au sein de la famille de la Ligue, et, plus important encore, d'écouter Dieu en priant et en lisant sa Parole ensemble.

2 Discernement

Au mois de novembre 2012, les responsables de tous les mouvements de la Ligue se réuniront en Malaisie, et d'autres se joindront à eux via le site Internet Espérance vivante, afin de discerner ce que Dieu nous souhaite nous dire au sujet de notre avenir, à l'échelon local, national et international.

3 Action

Il s'agit de la phase la plus importante d'Espérance vivante ! Dans le monde entier, nous allons nous efforcer d'agir avec obéissance par rapport à ce que Dieu nous a dit.

Nous prions avec conviction qu'à travers le processus Espérance vivante, Dieu façonne le ministère de la Ligue pour de nombreuses années à venir. Ensemble, nous allons tout faire pour vivre et servir comme un peuple rempli d'espérance, dans un monde qui a soif d'espoir.

Où que vous vous trouviez et quel que soit votre lien avec la Ligue pour la Lecture de la Bible, vous pouvez participer à ce processus d'écoute de Dieu et d'élaboration de notre avenir ensemble, alors que nous plaçons notre confiance en Lui.

Palabras de la Directora Internacional de UB

Queridos amigos y colegas:

Bienvenidos a la edición especial Esperanza Viva de la Guía Internacional de Oración para el año 2012.

Este año emprenderemos una de las iniciativas globales más grandes en la historia de la Unión Bíblica. Alrededor del mundo, dedicaremos tiempo a escuchar atentamente a nuestras comunidades, el uno al otro, y a personas claves que nos rodean. Creemos que durante este proceso, camino a nuestro sesquicentenario en el 2017, al compartir juntos en oración y alrededor de la Palabra de Dios, Él nos hablará acerca de su llamado y la forma y dirección de nuestro futuro. La mayoría de ustedes sabrá que la iniciativa Esperanza Viva comprende tres etapas:

1 Escucha

La Iniciativa de Escucha Comunitaria nos permitirá escuchar a niños, jóvenes y adultos en nuestras comunidades alrededor del mundo, el uno al otro en la familia de la UB, y por sobre todo a Dios al orar juntos y leer su Palabra.

2 Discernimiento

En noviembre 2012, líderes de todos los movimientos de la UB se reunirán en Malasia, unidos con otros por medio del sitio web de Esperanza Viva, procurando discernir lo que Dios nos está diciendo en cuanto a la dirección para el futuro a nivel local, nacional y global.

3 Acción

¡Esta es la parte más importante de Esperanza Viva! Alrededor del mundo procuraremos responder en obediencia a lo que Dios nos viene diciendo.

Es nuestra convicción y oración que por medio del proceso de Esperanza Viva, Dios dará forma al ministerio de la Unión Bíblica durante muchos años venideros. Juntos, procuraremos vivir y servir como un pueblo de esperanza en un mundo que anhela la esperanza.

Dondequiera que esté y cualquiera que fuera su conexión con la Unión Bíblica, usted puede formar parte de este proceso de escuchar a Dios y construir juntos el futuro al confiar en Él.

От директора ОДП-Интернэшнл

Дорогие друзья и коллеги

Перед вами - новое издание Международного календаря-справочника для совместной молитвы на 2012 г., выпущенное специально для проекта «Живая надежда».

В этом году мы будем воплощать одну из самых масштабных инициатив в истории ОДП.

В самых разных странах мира мы будем вместе сознательно прислушиваться к своим местным сообществам, друг к другу и к ключевым людям вокруг нас, с молитвой уповая на то, что посредством этого процесса Господь откроет Свое призвание для нашего будущего служения и поможет определить его дальнейший формат и направление - особенно сейчас, на пороге 150-летнего юбилея, которое мы будем праздновать в 2017 г.

Большинство из вас уже знают, что проект «Живая надежда» подразумевает три этапа:

1 Слушание

Кампания «Слушая свое сообщество» позволит нам услышать детей, молодежь и взрослых, живущих рядом с нами. Мы также будем прислушиваться друг к другу внутри движения ОДП и - что самое важное! - слушать Бога в молитве и чтении Его Слова.

2 Размышление

В ноябре 2012 лидеры из всех национальных движений ОДП встретятся в Малайзии, чтобы вместе попытаться понять, о чем Бог говорил с нами на предыдущей стадии процесса, и определить направления для нашего будущего служения на местах, в разных странах и по всему миру.

3 Действие

Это самая важная часть «Живой надежды»! По всему миру мы постараемся откликнуться на Божье слово в послушании и исполнить его.

Мы молимся и верим, что через «Живую надежду» Бог определит направление развития служения ОДП на долгие годы вперед. Давайте же вместе учиться, что это значит - жить и служить Богу в мире, жаждущем надежды, не теряя живого упования на Господа.

Где бы вы ни были и каким бы образом вы ни были связаны с ОДП, я приглашаю вас принять участие в этом процессе и прислушаться к Божьему голосу, чтобы вместе строить будущее, уповая на Господа.

Дженет Морган,
Директор ОДП-Интернэшнл
