

WINTER ACTIVITIES

2009

Like everywhere, in the winter time, especially close to Christmas, mankind, seems to have their hearts more open than in the other part of the year. With this occasion, Scripture Union Romania decided to bring the good news of Jesus Christ birth at some people, who usually are not so well or not visited so often. Together with about 50 volunteers, which are involved in SU Romania seminar called "From theory to practice", we decided to be part of the joy of children from 3 poor villages from south west of Romania. In this way we made 100 presents (each volunteers bring a present) and we sent them, and then we talked with the local Church from there, to organized a program for the children from those villages, and then to give them the presents.

What was very encouraging for us, was not only the fact that those children were very very happy receiving those presents, but the testimony of the pastor, who said that never in the history of that village, in the church were not so many un-Christian persons (the parents of those children) who heard the gospel of Jesus Christ.

Another action for this winter, again together with the young volunteers from the seminar "From theory to practice" was to visit an asylum for old people (unfortunately in Romania, are many asylums for old people , and the condition are very bad , and they are not visited even by their families). Again we prepared some presents for them, few Christmas songs and other surprises. And after, we were driving about 50 km in Varias (the village were the asylum was)

This asylum is one of where are the people who are almost abandoned by their families or are very sick. They are staing there almost all year, and very few are the days when they are visited by a member of the family. Even for Christmas they have to stay there because thir family don't want them anymore.

Together with us was also a preacher who brought the good news, and the HOPE that we have in Christ, and the big family that is called Christianity.

We were happy that we could by part of their joy, even if it was just for a day

And the last activity that Scripture Union Romania made in 2009 was the party of the New-Year`s Eve. More than 50 people were participating, and we had a lot of fun, competition, games, worship, prayer time, prizes, and so on.

We give thanks to God, because only through Him and with Him, Scripture Union Romania was able to have an impact in many many lives in 2009. We also have thanks to all of you who support us and prayed for us.

THANK YOU!
